Notes

- Ranges reflect experienced (5+ years; typically 10–25 years) client-facing consulting talent with multiple go-lives. Geography, travel, urgency, and role design can shift offers.
- F&SCM comp often runs higher for enterprise program complexity and specialized module coverage.
- Pre-sales compensation varies widely by quota design and revenue influence.

Methodology: ranges reflect experienced (5+ yrs; typically 10–25 yrs) client-facing Dynamics consulting talent; actual comp varies by geo, travel, utilization/bonus design, urgency, and niche skills.
